Memory Work: 2<sup>nd</sup> Article and explain meaning in your own words

Review Memory Work:

How does your explanation relate to what you might tell a friend about Jesus Christ if they asked? This is a good addition to your "Statement of Faith" which our second year students share on Confirmation Sunday.

**Reminder:**

1. Our Creed is a public confession of what Christians believe about the triune God
2. It is an "ordinary" part of our liturgical worship (it happens each week, pretty much the same way)

Using pages 61-74 of your Keeping the Faith book, please fill in the blanks.
