*A Ministry of First Lutheran Church 6300 Southern Maryland Blvd. Huntingtown, MD 20639*

Dear Parents:

Happy Spring. I hope you are as happy as I am to welcome the warmer weather. The students seem really excited to return to riding toys and the playground after our cold winter.

Registration for the Fall 2010 has been a great success. Currently all classes are full except our one day two year old class. If we generate enough interest we will proceed with this class.

Summer School for June and July still has openings. Currently enrolled students for this year and next fall may sign up. Please see Jenny or myself for more details.

This month our themes are Spring, Pets, Manners and Mother's Day. Our color is yellow. Our letters are Uu, Pp, Mm and review. Our Bible stories are "Jesus Goes up to Heaven", "Jesus talks About the Birds and the Flowers", "God keeps Noah and the Animals Safe" and "Moses and His Mom".

If you are looking for a fun treat please join First Lutheran Church's celebrity scoopers (our very own, Pastor Paul, Miss Shawn and Vicar Seth) at Rita's in Prince Frederick on Tuesday, April 27th from 6-8 pm. A portion of the sales that evening will benefit FLC's Senior Youth.

Blessings, Angie Hohl

Program Director

### Mother's Day Tea

Our Mother's Day tea party will be held on Friday, May 7th from 10:30 am to 12:30 pm. All classes are invited to attend with their mom. This will be our class time for the day. Due to limited space we ask each child to bring one guest. Arrangements for siblings would be most appreciated. Our schedule will be different from last year. Please look for an invitation with more details to come home very soon.

### Spring Greetings from the Tuesday and Thursday 3s

We will start off the month of April looking UP to the sky. What is up there? We will talk about clouds and why rain is so special to our earth. We will plant a seed in a clear plastic container and watch it take root and grow over the month. We are going to place a bird feeder outside our classroom window and hopefully we will see some of God's feathered friends through the glass. In the third week, we will learn about Noah and how he kept all of the animals safe. This is one of my personal favorite stories and we will explore "rainbows" and all the colors. The children will be mixing their own colors to make their rainbows. We will conclude our month learning about Moses and how his mother protected him. Look forward to seeing little babies coming home in baskets. We love our Mom\*s and we will focus on how much they like good manners. Happy Spring!

Judy and Mary

### News from the 3 Day 3s

Happy Spring! We will talk about April showers bringing May flowers. We are all excited about the warmer weather after a long winter. We will celebrate Earth Day by marble painting our earths, learning about the 3Rs (Reduce, Reuse, Recycle) and planting some flowers to make our school pretty! We will then move on to our pet theme. Please have your child bring in a picture of their favorite animal to share. We will end our month by celebrating Mom and using good manners.

### Pre-K News!

Spring has sprung in the Pre-K rooms! The children are excited for the warm weather and the chance to explore the outdoors after a long, snowy winter. During the month of April, we will discover the beauty that God gives us in Spring-flowers, plants and baby animals. We will be planting seeds in class to watch the growing process. This will go along with our Earth Day celebration beautifying the grounds of our school. Our discussion of baby animals will lead us to our unit on pets-what makes a good pet and how to care for them.

On April 22, our class will head to The Home Depot in Upper Marlboro for our field trip. The children will get to tour the store and participate in The Kids Workshop.

### News for the 2s

Spring has sprung at Little Lambs. We will be celebrating the change of seasons that God has provided for us.

In Miss Rebekah's class, we will sing a "It is Spring Time" with a flannel board and talk about the positional concepts of on and up. In addition we will make shape butterflies puppets that we can fly. Later in the month we will learn about pets and we will have some stuffed pets in class. At the end of the month, we will work on our manners as we prepare for the Mother\*s Day Tea.

In Miss Maureen's class, we will be learning about spring by matching umbrellas by colors, making wind socks and learning about the animals that are born in spring. We will also talk about how to take care of the earth by planting flowers. The students will also get a chance to talk about their pets (or the pet they want). At the end of the month, we will work on manners as we prepare to celebrate Mother's Day!

Both classes will continue to work on name recognition and counting skills throughout the month. Please remember that we go outside to play in the morning and the weather hasn't always warmed up.
