April 2009

Dear Parents,

He is risen. He is risen indeed! It's hard to believe Easter is just around the corner. Our school year is going by so quickly. When we return from vacation, I just anticipate the time will fly right by!

This month we will finish up our Easter unit and when we return from vacation our themes will be Spring, Manner's and Mother's Day. Our letters will be Uu, Yy and reviews of Kk, Qq, Ii, and Rr. Our color is yellow. Our Bible stories are "Jesus Talks About the Birds and the Flowers", "Jesus Goes to Heaven" and "Joseph Forgives His Brothers".

At LLPS we wish all of our families a blessed, safe Easter. Enjoy the time with your children.

Angie

First Lutheran Church Worship Times:

Sundays 8 am, 10:45 am, Wednesdays 7pm

Sunday School-All Ages 9:25 am

Easter Sunday April 12:

Outdoor Sunrise Service 6:30 am

Worship Services 8 am, 10:45 am

Easter Breakfast 7:15-10:15 am

Easter Egg Hunts 9:30 am, 10:15 am

A Gentle Reminder

We've had a few issues in the parking lot recently that I would like to address. Please follow the traffic pattern when entering the church parking lot. Come in and bear to the right and follow along to your desired location. When arriving in the morning, you may park in the back near the learning cottage. Cars cannot remain parked there for any length of stay due to our dismissal policy and the blacktop usage. When arriving for pickup, if you need to get your child earlier than scheduled, please park your car and come into the building. If you are in the pick up line please do not pass cars that are loading children. If there are children playing on the blacktop please do not pull up towards the learning cottage until the children have made it to the grassy area with their teachers. Thank you for your cooperation in helping us to keep your school safe.

Registration Fall 2009

We currently have openings in our Kids Kamp, both our three-year classes and both our Pre-k classes. Our two year old class is full with a wait list. Please let your family, friends and neighbors know of our program.

Mother's Day Tea

Our Mother*s Day tea party will be held on Friday, May 1st from 10:30 a.m.-12:30 p.m. All classes are invited to attend with their mom. This will be our class time for the day. We will have activities scheduled throughout the building on a rotating basis from 10:30 to 11:30 a.m. You are asked to start at the school entrance where you will be given a map and instructions. The tea will begin at 11:30 a.m. Hope to see you there!

April 2009

What's New With The 2s?

The beginning of this month we will finish up our Easter unit. When we return from vacation we jump right into spring! We will have kite making, baby animal stories and special Earth Day activities to enjoy. The end of the month we will concentrate on manners and start working on our special surprises for mom. With the warmer weather, we will be able to spend a little more time outside again. Please make sure your children are appropriately dressed for the playground. Especially pay attention to their shoes...we do a lot of climbing, running and jumping. May you all have a blessed Easter.

Angie, Lorraine and Nancy

4 Day Pre-K

Only a few more weeks of school! The time is flying by. During the month of April we will be discussing spring and manners. In science will be learning about the stages of life for the butterfly and frog. In math we will begin writing our numbers. Our Earth Day celebration is on April 24 which is a special day of exploring God*s earth and what we can find interesting to look at. We will be talking about how important it is to leave the earth clean and how we can do that. April will be our month of exploring nature.

Cathy and Judy

News For the 3s, Please

Spring has finally come. God has blessed us with an earth filled with amazing wildlife and flowers. We will be looking for the signs of their return after a long winter. We will also look for April showers and beautiful flowers along with baby animals that we see in spring. For Earth Day, we will give thanks for the wonderful world we have been given and we will learn how to take care of our beautiful earth. At the end of the month we will review our good manners in preparation of our Mother*s Day Tea. We will continue to work on cutting with our *thumbs up*, writing our names, and counting skills. Remember that Mondays are still available for lunch bunch until 1:00p.m. MWF class or 1:15p.m. M/Tu/Th class

Rebekah, Renee', Peggy, Mary, and Carolyn

Come and listen, all you who fear God; let me tell you what He has done for me

Psalm 66:16

3 Day Pre-K

April is upon us and that means we will be talking about spring when we get back from our break. Many changes are happening already and don't think your little ones haven't noticed! Many of the flowers on the trees and in the gardens are the delightful topic of the day in our classroom. We will expand on this growing interest as we watch our science project with Ms. Cathy sprout and bloom! Many fun songs about baby animals and plants will be our focus in music. We will continue to work on our numbers, predicting, patterns and sequencing in math. At the end of the month we will start our unit on manners, celebrate Earth Day, and start to talk about Mother's Day. Jeri and I are looking forward to sharing this time of change with your children!

Have a blessed Easter,

Kathy Sue and Jeri
