Dear Parents,

Are you "snow" excited about this winter weather? Most of our students are very happy with all the snow. Of course, they don't have the chores that come with all this pretty white stuff. They just see it as an outdoor adventure. That might be a good way to look at it! We will wait and see what the rest of February and of course March will bring. Please remember if CCPS are closed, so are we. If they open 2 hours late we will open on time, unless we call. If they close early, we will assess the situation and make calls as necessary if we decide to close early.

This month our themes are Love and Olympics. Our colors will be red, white and blue. Our letters are Yy, Qq, Oo and review. Our Bible stories are "Jesus Talks to Nicodemus About God's Love.", "Queen Esther", God's Battle Plan for Gideon" and "David and Goliath".

Registration for next school year will be later in the month for currently enrolled families. A letter with detailed information will be sent home shortly. Summer School information will also be available soon. We are considering the same format as last year: Tuesdays and Thursdays 10 am-1 pm for most weeks in June and July.

Stay warm and safe,

Angie Hohl, Program Director

Valentine's Day

Sign up sheets for the parties are located near the classroom door. Children are asked to bring their valentines to school the day of their party. Please have your child's name on the "from" part for each valentine. Leave the "to" part blank. Please send in enough valentines for each child in the class, including your child. Children of this age may not understand why they don't get a valentine, even if it is from them.

Calendar Change

National Lutheran Schools Week will be March 7th through March 13th. All families are invited to worship at FLC at 10:45 am on Sunday, March 7th. LLPS will present the Children's Message. More details to follow.

It's February! That brings to mind Valentine's Day, so we will begin our month talking about love; the love of a parent, child, teacher, pet, etc., but most importantly God's love for us and ours for Him. We will express this love in our daily routines through our art projects and with various heart games using our counting, matching and sorting skills. The second half of the month we will dedicate to the Olympics! There will be much to talk about with the different sports events, the sense of pride in our country and the dedication and determination of the athletes. We will have our own mini-Olympics at Little Lambs with a very patriotic theme as we celebrate Red, White and Blue Day. We hope the warmth of our themes will help to melt away the chill of the weather as we look forward to another fun month.

Happy Valentine's Day!

Maureen, Angie, Kathy Sue, Jeri and Ms. Lorraine

News for the 3s, Please!

February is a month filled with love for our families, our friends, and most of all for Jesus. We will be talking about love and making several crafts in preparation for Valentine's Day. Be on the lookout for information about our Valentine's party and the card exchange. After we have finished all of our candy from this sweet holiday, we will switch gears and celebrate the Olympics at Little Lambs. We will have joy in our hearts as we cheer on our friends during the games. Look for more information to come home about our special day.

News From the 2s!

Love is in the air! We are looking forward to Valentine's Day. We will make bags for our valentine's and some special art projects using hearts. It is always fun to exchange valentines during our Valentine's Day party. We will also talk about people in our lives that we love and the love we have for Jesus. At the end of the month the Olympics are coming to Little Lambs. There will be some fun games and art projects as we cheer on the USA.

Have a Fabulous February!
