Dear Parents;

It is hard to believe that Thanksgiving is just around the corner. We have been so busy at school the time really has passed by quickly. Thank you to all our families for the care and concern for our staff and students. It is such a joy to work in a happy, joy filled school. I am truly blessed to work with all of you.

This month our themes will be Food and Nutrition, Thanksgiving and at the very end... Advent. Our letters are Nn, Ee, and Tt. Our Bible stories are Jesus Feeds 5000, Ravens Feed Elijah, and Jesus Heals 10 Sick Men. Our color for the month is brown.

We are working hard on our annual Thanksgiving Feasts. The two year old classes will have their very own party in their classrooms on Friday, November 20th. Both 3 year old classes and both Pre-K classes will share a holiday presentation and meal at their feast on Tuesday November 24th. A detailed letter about these events will be sent home shortly.

On behalf of all the staff, may you and your family have a blessed and joyful Thanksgiving.

Christmas News

For you early bird planners, here's the scoop for Christmas....Our tradition at school is to have a Happy Birthday Jesus Party. These parties are held in the child's classroom on the last scheduled school day before Christmas break. The Pre-K classes will have their party in the fellowship hall immediately following the Christmas Play. Each child is encouraged to bring in a gift for the school. After Thanksgiving you will find a tree with ornaments that have inexpensive items needed for our classrooms. You are asked to remove an ornament, purchase the item and then wrap it. If you choose more than one item, we ask that you wrap the gift as one, so each child is opening only one gift. The gifts are brought to school on the day of your child's party. Please label the gift To: Little Lambs From: your child's name. The children open the gifts in their classroom with their teachers. If you choose not to participate, we will have a gift for your child to open.

Usborne Books Book Fair

Usborne Books Book Fair- Little Lambs Preschool will be holding an Usborne Books book Fair on Friday November 20, from 9am -12:30, Monday, November 23 from 9am - 1:30 and Tuesday November 24 from 9am-12:30pm. You can start your Christmas shopping and help your school get some free books! More details coming soon.

November 2009

Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name~

Psalm 100:4

Pre-K You Say

November is here and as the temperatures continue to drop please consider changing your child's spare clothing in their backpacks to something more suitable for the colder weather. Your 4's have done extremely well with learning our daily routine. We all recognize our own names and some the names of others! This month we will start off talking about food and nutrition. Your child will be introduced to the food pyramid and some healthy and not so healthy foods. The next few weeks we will be learning about the first Thanksgiving and why we celebrate this holiday. We will be making cornucopias, special pies and even turkeys in art! One day for math we will measure and mix as we make a special project! Our month will end with our traditional Thanksgiving feast which we share with the 3s. During the short program before the feast we will be singing some special songs we have learned for you! There is a lot to be thankful for and God truly is wonderful to provide us with so much. May you all have a bountiful and thankful holiday!

News for the 2s

November is here and we had made so much progress in school. Our students have learned the routines and made many new friends, through singing, playing and art projects. This month will be very busy as we prepare for Thanksgiving. We will give thanks for the food that is provided for us in our daily lives with lots of fun activities. On our last day before Thanksgiving break, we will celebrate Thanksgiving with a special feast *2s style!" We will continue to work on putting our coats on independently. Please be sure that you label jackets with your child's name or number so that there is no confusion while we are preparing for the playground or dismissal. We are so thankful for the opportunity to share this learning experience with your child.

From the 3s

We have been enjoying making observations of the fall changes all around us. We will continue with a fall theme throughout November as we discuss this wonderful time of year. We will focus on the importance of "Giving Thanks" and being thankful to God for all that He has given to us. We will discuss the wonderful blessings that surround us everyday. Our 3s will prepare their American Indian costumes in preparation for our Thanksgiving program. Please make sure you check their backpacks daily for important information that will come home quite often. We will continue working on name recognition along with our letter of the week. As colder weather sets in, please be sure to label all jackets, hats, etc. with your child's name. We are working on independence with putting on and taking off coats. Please encourage this skill at home.

Happy Thanksgiving,

Renee, Judy, Mary and Peggy
