Goal: To encourage spiritual growth and to foster Christian fellowship.

Who: All students (grades 6-8) are invited. Friends are encouraged to join us.

What: Meetings will have activities/games, study time & fellowship. Each meeting will have a “theme” relevant to the kids’ lives (communication skills, friendship, taking care of our bodies, etc.)

Where: Meetings will take place at FLC and other activities could be located off-site.

How much: We request that attendees contribute \$2 for each meeting to help offset the cost of snacks & materials. Cost of outings will depend on the event.
